EMAIL to the Dicalcium pyrophosphate_232-221-5_SIEF (IP26):

Subject: Registration of Dicalcium pyrophosphate, EC No. 232-221-5, CAS No. 7790-76-3, Inorganic Phosphates Consortium

To all members of the **Dicalcium pyrophosphate_232-221-5_SIEF**,

Following the SIEF-Communication dated June 7, 2012, concerning the registration date of the substance, and the SIEF-Communication dated June 29, 2017, related to updated uses, this communication today is to inform you about:

The Lead Registrant of the substance Dicalcium pyrophosphate, EC No. 232-221-5, CAS No. 7790-76-3, Chemische Fabrik Budenheim KG, has finalized the registration of the substance in the tonnage band 100-1000 t/a. The substance is graded "non-classified". We assume that information on the substance will be available soon on the ECHA website.

Information on LoA fees in the tonnage bands up to 100-1000 t/a will be available shortly. If you are interested in purchasing a LoA, please consult the secretariat of the IP Consortium, Consortia Management GmbH, via e-mail: secretary@inorganic-phosphates.org
